

Killara West Pymble Rugby Club

Round 16 26/7/08

Coach's report vs Terrey Hills

The penultimate game for the year was against our old rivals Terrey Hills. The navy blues had beaten us for the first time in years in round 3, 18–15. It was going to be interesting to see if we could continue our all conquering run home and turn the tide on Terrey Hills. We had a full crew and Andrew Jaques and Phil Walker were given the starting winger duties.

The KWP juggernaut did indeed continue. Terrey Hills had no answer to our excellent kicking game and extremely relentless attack. We lead 25–5 at half time and were really looking the goods. We smashed Terrey Hills out of the game and I believe they did not know what hit them and were expecting a much easier day at the office. They aimed up a bit more in the second stanza and kept the scoreline to 35–5. We got a little bit selfish and were unlucky not to score another 2 or 3 tries. Joel got 3 points for by far his best game for the year, Tubby got 2 and players player to continue his good end of year form. Jordan played very well for 1 point along with James Minnard.

It was great to see Phil and Andrew getting some players player votes as well, good work guys. I would like to think we can surprise Clovelly this week and make it difficult for them to make the semis.

Well done everybody once again,
Crossy
