### ***Coach's report vs Dee Why***

Round 2 had the red and whites of Dee Why paying a visit to Loberg for the first time I can remember. The KWP outfit (although slightly dusty) were keen to make ammends for a 1 point defeat on the bell the last time we met two years ago. The boys started a bit slow, as it took a while to shake off the last couple of drinks consumed at Rohan's 21st the night before. We were down 14 nil after about 15 minutes and it was not looking real good. Suddenly we snapped out of the haze and before you knew it we were back to level terms. It was a see-sawing tussle where the lead changed 3 times. The KWP boys held a 20-19 lead with 15 minutes to go and were unlucky to go down in the end 24-20.

From what I can tell, at this stage of the season, there is going to be a lot of close games this year. Our committment is good and we are going for the full 80. We will also gel together over next 2 to 3 weeks and start forming some good combinations. However, if we keep trying to outdo our own game plan, it could well cost us vital competition points and possibly a semi finals birth. Against Dee Why we chose not to go the sideline in our own 22 with 15 minutes to go and turned over possession which resulted in Dee Why scoring and ultimately winning the game. It really is a no brainer guys so up the discipline. We are not continually harping on this because we like the sound of our own voices. Get the job done and I guarantee success.

3 points good game Tubby covering 2 positions. 2 points well done to Pauly. 1 point each to Matty and Aussie James for determined 2nd halves. Must win vs Terrey Hill gents.
