

Killara West Pymble Rugby Club

Round 06 10/5/08

Coach's report vs Bankstown

Round 6 had the KWP boys at home to Bankstown and in desperate need of a win. The mail was that Bankstown didn't travel well and we were hoping that was the case today. The ladies were all settled in for an afternoon of champagne, cheese, bickies and cupcakes. The scene was set.

Once again our prematch preparation was hampered by lost players. Joel and Jordan decided we would play Bankstown out there instead of at Lofberg. I believe they were driving around Bankstown for quite a while before I rang to see where they were. I would have liked to see the car screeching to a halt somewhere in Bankstown, doing a hasty one eighty and heading towards West Pymble. One of our new chums, Tim was thrust into 5/8 for his first game for the club and handled it very well steering the boys to a 17-12 half time lead.

Our missing J's turned up just before half time and were straight into the action all agreed at half time that our first win of the year was ours for the taking if we really wanted it. The next 40 mins was the best rugby the club has played for some time. We scored 8 tries for the game and won by a massive 50-12. It was a tight contest for best and fairest points, Tubby got the cash for 3, James Minnard continued to impress for 2 and guess who got one along with Tempo, Matty. It was a great win and everyone played well. Everyone got a run which I think was 9 reserves. Unfortunatley James Baird broke his collar bone, so a speedy recovery there mate. It was great to hear the team song ringing around the ground and the beer tasted extra sweet.

If we can build on the effort fellas you never know what can happen before the end of the year. Give it to Maccabi they deserve it.
