Coach's report vs Sydney Harlequins

Here we go again, welcome to rugby with KWP in 2008. I hope everyone enjoys the season. Ant Cross is assisting me again, Ben Gow will be lending a hand with the forwards and an old boy of the club, Neil McPhee will be our new manager.

Our first trial was against Sydney Harlequins at Wentworthville Park. It was good to see plenty of new faces as well as the old familiar ones. We didn't finish ahead on the scoreboard, but there were some pleasing efforts on the day. It was our first trial and played in very hot conditions. Several players played through all three 20 minute periods which can only stand them in good stead for the start of the season. Standouts for the day were Dilmah and Joel who played in 3 different positions. Rocco, Woods, Tubby and Moppy were tireless and did the hard yards all day. All in all a pleasing hit out.

We have the week off for easter but are back into it on the 29th March at Wakehurst Rugby Park, Waldron Road, Belrose and times available on the website, www.kwprugby.com. Please remember men that the more effort we put into training over the next few weeks the better off we will all be. Have a safe Easter.
