FOREWORD: THE FIRST FULL SEASON FOR 3 YEARS AND WE MADE IT COUNT

After Covid disrupted seasons in 2020 and 2021, this was our first full and uninterrupted season for 3 years, and we certainly made it count.

In the Minis, the disrupted seasons meant that in reality this was the first proper start to the season for all three of our youngest age groups – the U6s, U7s and U8s – so the only age group in the Minis to have had a full season before was the U9s.

Despite this it was great to see so many kids and teams take the field in the Minis, and to see the sidelines packed with parents again, cheering their kids on. Lofberg Oval was once again a hive of fun and laughter early on Sunday mornings.

Even with the early weeks disrupted by rain, it was also great to see Friday's Minis training back in full swing with the return of Minis Dinners in our newly refurbished clubhouse.

On the subject of using our clubhouse, 2022 also saw the completion of our interior renovations to the clubhouse. The club and members are immensely grateful to the hard work of Jason Neal (2022 Committee Member of the Year) for his time and effort working with the council and our building partners. It's been wonderful to see so many people return to the clubhouse this year and make use of Jason's hard work and the wonderful environment and facilities.

As with so many other areas of our day-to-day lives, the post Covid period has been one of adjustment and at times slow to get back to pre-Covid normal. In addition to it being difficult for all sporting clubs to recruit new players into their youngest age groups, it's also been difficult to bring our parents and supporters back to the social side of our club. As a community club, the social side of has always been a strong and important part of what we do, so as we close out the 2022 season and start our planning for 2023, both of these areas will be a focus for the committee.

We encourage all our members to get involved in the social side of the club, especially those in the younger age groups who may not have experienced this before. And if you want to make a contribution to the running of our club – whether that means a couple of hours twice a year, or maybe a role on the committee – please reach out as many hands really do make light work.

NOTICE OF 2021 ANNUAL GENERAL MEETING

The 2022 KWP Rugby Club Annual General Meeting will be held from 7pm on Thursday the 27th of October 2022, at the KWP Clubhouse on Lofberg Oval in West Pymble.

All members of our community are encouraged to attend.

There will be a number of positions available on the committee for our 2023 season, so if you are interested in joining the committee for a permanent role or just to help out when needed, please reach out to any member of the committee or send us a note to the club president at **pres@kwprugby.com**

Notes from the AGM including the election of the 2023 committee will be published on the KWP website following the meeting.

OUR SPONSORS

A special thank you to our premium sponsor The Ranch Hotel who are now in their second year of supporting our club. Expanding on their support in 2021 The Ranch Hotel helped us purchase brand new post pads and sideline posts, which set alongside the new marquee they helped us purchase in 2021 made our home ground look fantastic on match day.

We were also pleased to once again be able to support The Ranch Hotel by utilising their wonderful facilities on numerous occasions during the year with individual teams enjoying team lunches, and to host our annual End of Season Social Night.

In 2022 we welcomed back the majority of our club sponsors including long time sponsors MKW Insurance, The Sports Physio Clinic, Brick Lane Espresso, Seven Miles Coffee, Tom's Cellars, Edge Sportswear and Campbell's Superior Meats, as well as Lorimer Estate Agents, Pymble Dental Practice, Yakka Build and Network Construction Services.

In addition, we welcomed two brand new sponsors to the club in Breathe and Danette Plumbing.

We would like to take the opportunity to thank all our sponsors for their support in 2021.

Without their generosity the job of running our club and supporting the local kids playing rugby would be much harder. Thanks to our sponsors, we continue to be able to provide our members with the equipment they need to train and play in a safe and enjoyable way.

5.

OUR VOLUNTEERS

Our club is a community club... run by the community, for the community. And no community organisation can be successful without the dedication and commitment of volunteers.

Every single person you see helping to run training and on match days is a volunteer, but there are also many volunteers you don't see... from those that are up at the break of dawn on match days setting the grounds up (thank you Minis helpers), to those still clearing up the oval and club house well after the last try has been scored (thank you U14s & U15s volunteers).

This year saw the realisation of a huge amount of volunteer hours with the opening of our newly refurbished clubhouse. Thanks to the hard work of Jason Neal, recipient of this year's award for Committee Member of the Year.

Gratitude should also go to James O'Keefe, Stuart Dean and Luke Wiblin, who all spent many hours helping with the renovations, and to club sponsor Danette Plumbing who donated their time and expertise to the project.

Without the support of all of our volunteers week in week out, our kids would not have been able to take the field... so as a club and community we say a big 'thank you' to each and every person that volunteered this year.

6.

CLUB PRESIDENT REPORT DAVID RONALD, PRESIDENT

2022 has been a wonderful year for KWP both on and off the rugby field.

After 2 years of shortened seasons, disrupted by COVID lockdowns, simply playing a full season in 2022 is something of a success in itself. The successes go well beyond that though.

With participation rates in junior sporting codes, including rugby, falling over the past 2 years it is testament to the strength of the culture of KWP and connection to our community, that our player numbers remained stable from 2021 into 2022. This sets us apart from some of our immediate peers and from other sporting codes.

Our minis (U6 - U9) remain strong, with a huge opportunity to grow our numbers in 2023 and our juniors (U10 - U15) have gone from strength to strength, fielding an U15 team in 2022 for the first time in a number of years.

Our JV with St Ives Junior Rugby Club, providing a pathway for girls playing junior rugby, playing as the Northern Wildcats, continues to be a successful structure and I'd love to see this continue to flourish and grow in 2023 and beyond.

On the field, despite the best efforts of the rain at the start of the season, all of our teams had a great season, with a few special mentions;

- U8s winning the Harlequin Cup
- U9s representing KWP at the opening of the new Allianz Stadium
- U12s and U15s both minor premiers in their respective grades and making the Grand Final
- U10s winning the Plate in their grade
- U11 Gold and U11 Blue both Joint Premiers in their respective grades

We also had a record number of KWP players gaining representative honours at Gordon District (or equivalent) level, with some going on to play at both Sydney and NSW level as well. I congratulate all of the kids who trialled to play representative rugby this year. Whether selected or not, you make all of us proud.

Off of the field itself, we were able to complete the clubhouse renovation, and re-open to members for the start of the season. I'm sure everyone will agree that the renovations have been a huge success and that the new and improved clubhouse is a facility that all of our members can benefit from and be proud of. Of course, they would not have happened without a significant amount of hard work from a number of members and our sincere thanks go to all who assisted along the way. Special thanks are reserved for Jason Neal, without whom they simply would not have happened at all!

This allowed us to host a number of events this year, bringing the kids and families together in the new clubhouse. The official re-opening was a great night, as was the return of Jeans & Jersey to Lofberg. Minis dinners recommenced on Friday nights after minis training and are a favourite for all. It has been wonderful to have so many of our families using these facilities across the season and we are very fortunate to have such a great clubhouse at our disposal.

KWP is a club that continues to thrive in our community, and the efforts of our many volunteers, and the support of our sponsors, enable us to provide a club and culture that is fun, safe and welcoming for all. Thank you to my committee, the coaches, managers, our sponsors and to each and every parent who assisted throughout the season. There is nothing better than seeing over 200 kids running around on Lofberg Oval with a rugby ball in hand and a huge smile on their face.

Bring on 2023 and an even bigger and better season than the last!

David Ronald
KWP President

MINIS PRESIDENT REPORT KRISTY GIBSON & RAY LEANNE

2022 was the season that the Minis all got to play rugby again given the past 2 years of pandemic disruption. Our Try Rugby days in February helped us welcome new players and families predominantly to the U6's where we were able to field two teams and extremely enthusiastic they turned out to be! Overall we had seven teams in the Minis this year with two teams in U6's, U8's and U9's and one in U7's.

Whilst we had a full calendar of fixtures, unfortunately the wet weather intervened in a number of rounds, particularly in the first half of the season. The season kicked off with a gala day at a wet Lindfield where the ground was soft and gumboots were required for the spectators. The wet weather during May and June did result in a few cancelled Friday training sessions and a few Sunday matches. The Mini's presidents spent most Fridays waiting nervously for the ground report at 2.30pm to see if we could get out and have fun. We did however get to finish the first half of the season at a gala day at Windsor in glorious winter sunshine. Thankfully the second half of the season post the July school holidays was much more settled and we were able to get on the pitch each weekend and it was great to see each team build up the consistent performances that come with regular games.

The Mini's dinners to accompany Friday night training were reinstated after the hiatus caused by the pandemic, and with the newly renovated clubhouse they certainly proved popular as the season progressed. Many thanks to each of the team managers who coordinated food and volunteers each week.

In addition to our regular games through the season, our teams took part in other events with the following highlights:

- The U8's were winners of the Harlequins Cup having won their 4 group matches and then seeing off the Norths Pirates in the Semi Final and then Manly in a tense Final.
- A number of players from U9's got the opportunity to have a run out at the new Allianz Stadium on the opening weekend which was a great experience for all involved

A big shout out to all our coaches and managers who put in a lot of time and effort to ensure each team had fun playing rugby!

Thanks to all involved in making Minis a success in 2022!

JUNIORS PRESIDENT REPORT DAVID HADLOW

The Juniors section of the club entered into the 2022 season with 131 players, and seven teams (more than ever before) across more age groups - from U10s through to U15s. This was thanks to the hard work and dedication of both the players, and the coaches and managers across many seasons, and to the strong culture of the club.

Whilst the start of the season was disrupted by what seemed like endless rain washing out both training and trial/grading games in the early weeks of the season, after two seasons disrupted by Covid we were all just happy to be playing rugby!

A big congratulations should go to our U15s players and coaching staff (Mark Hilton & Ben Dunn). It's the oldest age group KWP have fielded a side in for a long time (if ever) and is testament to the hard work, dedication and team spirit that age group have developed over the last 10 years.

A new innovation from the Sydney Junior Rugby Union was the introduction of a Juniors Club Championships, sponsored by Elmo. Clubs were divided into two divisions (Big Clubs and Small Clubs) then points awarded for results and adjusted to even out how many teams each club has. It was not only great to see KWP included in the "Big Clubs" division, but at the halfway mark we sat at number six on the table (out of 28) and the highest placed Gordon Village Club.

As we headed to the pointy end of the season, all of our teams were in contention to make the finals. Another great reflection on the players and coaches, which made the last few weeks of the season even more exciting.

With our U13s and U14s missing out by small margins, five of our seven teams won through to the finals series. The U11 Blue team finished top of the table in Grade D, the U12s finished top in Grade D, and the U15s team finished top of the table in Grade C.

After an exciting finals series our U10s team won their plate final, our U13s made their semi-final, and both our U11 sides drew their grand finals to finish Joint Premiers. For a club that is regarded as a smaller club in the Junior grades, 2022 has certainly been a standout year, and it has been a privilege to represent the players, coaches, managers and parents as Juniors President.

Whilst Junior Rugby is competitive and winning is something we celebrate and are proud of, the growth of the club in our Junior ranks means that as a club we are giving more and more kids the chance to have fun and stretch themselves whilst playing rugby with their mates. And that's why we are here.

OVER 35S LIMPING LEO'S PRESIDENT REPORT ANGUS STEWART

Following what have been the two most disrupted seasons of rugby in living memory, expectations were high and the stage was set for a real recovery year for over 35's rugby in 2022. Covid had certainly made its mark on rugby from grassroots to test level and with community sport opening back up we had all reasons to believe that it would be business as usual come the 20th March for the Eastwood Gala.

In 2022, Leos had thirteen registered players and participated in five galas. Frustratingly, in what has been the wettest year on record for Sydney, the rain replaced Covid as the villain of the peace and despite the Eastwood gala proceeding that night, the vast majority of subsequent galas were cancelled or rescheduled.

For the Limping Leos, we were very proud – and relieved - to have hosted the Battle of the North Shore at Lofberg which was certainly deemed a successful day and well supported at the bar afterwards. The only negative, and a big one, was the injury sustained by our former President Trump. Regrettably, our home gala had been called off the previous month due to the damage to the Lofberg pitch, so to get one in was a plus.

The rest of the season offered slim pickings for the KWP Limping Leos crew, as most galas that did proceed were scheduled for Sunday mornings which conflicted with the bulk of our players' commitments to mini and junior rugby. This will be something the committee will be looking at and working with the organisers closely on for the 2023 season, so that we have more galas scheduled for Friday nights and Sunday afternoons to accommodate those unable to play Sunday mornings.

A special mention of our VP Bruce "Fubar" Maltman who did play in all five of the galas that KWP was represented at this year, including a solo effort at the Bathurst Bulldogs festival in September. Well done Fubar, a great club man effort.

Looking forward to 2023, the committee is aiming to engage support throughout all other clubs and the organisers to consider how we approach scheduling of the galas, marketing the game more proactively with a view to recruit more players and addressing safety in the game to ensure that players stay playing and the risk of serious injury is minimised. The over 35's game has suffered in numbers since the start of covid and a lot of work is going to be needed to restore the community to where it was only a few years ago. The good news is that there is great passion and desire to rebuild.

On a final and positive note, the opening of the newly renovated clubhouse has been a great development for the club as a whole. The Leos were and are an active part of the life and energy of the clubhouse and champions like our very own Jason Neal are key figures in enabling us all to enjoy such a wonderful facility. Let's continue to get behind the club going into the new year, utilise the facilities and support where you can.

The Limping Leos Over 35 team exists to support the KWP junior rugby club and is a broader community group that support men that have a common interest in rugby, not just on the field but in life. Please continue to spread the word and we would love to welcome any new members down to touch rugby training on Tuesday nights to learn more and meet the Leos.

Regards

Gus

CLUB COACH REPORT HAMISH BAYLISS

KWP's coaching principles are built on fun, enjoyment and inclusion of boys & girls of all ages and abilities. Our coaches are focused with fostering an environment where players feel comfortable and safe and allow them to learn the core rugby skills in area such as catch, pass, tackle and breakdown.

It was wonderful to witness the players complete a full season of Rugby for the first time in 3 years. The season commenced with the annual Try Rugby Days in early February which were well attended by new & existing players and supported by our coaches. Thanks to Ray Lenane, Kristy Gibson & Dave Hadlow for all their work in driving recruitment of new players and making these days a great success.

KWP achieved significant on-field success with several premierships, minor premierships and representation in Junior finals. Whilst on field success is terrific, I am proud of the way KWP teams play the game of rugby. KWP players display a great spirit, play hard and fair, and respect their opposition and officials at all times. These standards are driven by our Coaches and parents.

I would like to thank our coaching team for their dedication, effort and commitment to KWP in 2022. The Coaches pour in countless hours to prepare our teams each week to make the match day experience so worthwhile. The enthusiasm and passion for the game displayed by our Coaches is infectious and it is evident in the manner our players play the game.

Thank you also to the parents for their encouragement of the players and the support of the coaching staff throughout the season. In particular, the important role the Team Managers play as a support to our Coaches which allows them time to do what they do best.

KWP are always looking for more coaches and parent volunteers. If you are keen to be involved in any capacity next season, please contact me and I will be happy to discuss the opportunities available.

Bring on Season 2023.

| Event costs | (\$1,645) | (\$3,421) | \$1,776 |
| Less Club administration costs | (\$14,405) | (\$15,188) | \$783 |
| Net Surplus/(Deficit) | \$722 | \$91 | \$631 |

KWP Rugby club delivered a surplus of \$722 following the first full season of rugby after the previous two interrupted seasons. It was great having all the players back on the paddock again together with strong attendance at the clubhouse following its fantastic upgrade.

Rugby income was \$53,710, an increase of \$6,509 from 2021, mainly due to the provisioning for the 2022 returning player discount provided for in 2021. Rugby income before any discount applied would have been slightly lower compared to 2021 due to the softer minis and Leos registrations.

Rugby expenses were \$63,904, which was \$15,241 higher over 2021 due to the full costs of an uninterrupted playing season, together with an increase in coaching expenses and Gordon development costs. Additional expenses were incurred for recognising the achievements of our players with Joint Premiers playing jerseys as well as reaching significant milestones with 100 game hats and 10 year hoodies.

As result, the Net Rugby contribution for 2022 was a deficit of \$10,193.

This deficit was funded through the strong contribution from the canteen, bar and merchandise sales and sponsorship.

With the completion of the clubhouse upgrade, there was an improved contribution from the canteen, bar and merchandise bringing in \$14,432 for the season.

Sponsorship, club hire and interest revenue was also higher compared to 2021 at \$12,523.

Events costs and Club administration costs were both slightly down at \$1,642 and \$14,403 respectively.

As result, KWP delivered a surplus of \$722 for the 2022 season.

We would like to thank our sponsors for their continued support of KWP Rugby. The Ranch, MKW Insurance Brokers, Brick Lane Espresso, Tom's Cellars, Seven Miles Coffee Roasters, Lorimer Estate Agents, Campbells Superior Meats, Edge Sportswear, The Sports Physio Clinic, Pymble Dental Practice, Yakka Build, Network Construction Services, Danette Plumbing & Breath HR.

Cash at Bank:

This year cash reserves of \$50,000 together with the \$40,000 building grant were applied to the aforementioned clubhouse upgrade. The upgraded clubhouse is now a terrific venue for players, families and spectators to enjoy.

2022 RUGBY TEAMS & MEMBERSHIP

After two disrupted seasons and with many other clubs & districts seeing a reduction in player numbers it was pleasing to see KWP registrations remain high at just under two hundred players registered.

Whilst we have done a great job keeping the players & families involved in the club, with two seasons heavily disrupted both on the field (with seasons cut short) and off the field (with limited ability for our parents & members to meet socially), it has been very difficult to bring new players and new families into our club. As a result we have seen less players in our Minis age groups.

A key focus for the club in the next couple of years will be to build these numbers back up in the Minis age groups to ensure our club keeps going from strength to strength.

The overall strength in playing numbers was helped by key work across the girls Joint Venture with St Ives the 'Northern Wildcats', and the continued strength of the Junior grades with us fielding an U15s side for the first time.

The growth of girl's rugby remains a focus for KWP and our member organisations in Gordon Junior Rugby and the Sydney Junior Rugby Union and whilst numbers are still building across these districts, it was great to see a good number of girls progress from playing in KWP mixed sides, to having a successful season playing for the Northern Wildcats and in some cases representing Gordon.

Underscoring the strength of our playing numbers in the Juniors we also saw a large group of players reach the 100 games and 10 years milestones this year, these players are listed in section 13 of this report.

A Standout Year for our Junior Teams

We also saw many of our teams achieving honours with our U8s winning the Harlequin Cup, our U10s winning their Plate final, both our U11s teams being joint Premiers in their respective grades, and both our U12s and U15s reaching the Grand Final.

This year was certainly a standout for our Juniors as we fielded more junior teams than ever before (seven) and we saw five of them make their respective finals with three teams coming away with silverware.

Gordon Rep Honours

A big congratulations to the following KWP players for achieving Representative Honours with Gordon Junior Rugby:

U10s: Angus Bayliss, Bayley Gibson, Hugo Bartlett, Joseph Eisenhauer and Ziggy Pisani.

U11s: Charlie Kelly, Matt Mellink, William Lyne and Xavier Maxwell.

U12s: Euan Lah, Hamish O'Keefe and Jack Bayliss

U14s: Sam Ive, Hugo Wilson, Laif Campbell and Chris Neal

U15s: Matt Harrison, Braeden Smith, Quon Gibb, Dilan Hilton, Corbin Brady-Quealey and Tom Dunn.

Additional congratulations to Tom Dunn in the U15s for achieving selection for Sydney (SJRU) and NSW Gen Blue in the NSW Rugby Cup.

ABOUT OUR CLUB

Killara West Pymble Junior Rugby Union Club (KWP Rugby) is a not-for-profit community club that's been operating since 1959. We want the boys and girls playing at our club to feel part of something special, where they (and their parents) make lasting friends and learn to love our great game of rugby.

We play age-specific, modified rugby games on a Sunday from U6 upwards. Our Minis are players divided into under 6 and under 9 aged teams. Our Juniors are classified into under 10 to under 17 aged teams. KWP Rugby also has a formidable Over 35s team where dads can rekindle what most miss about our playing days – mateship!

Every child receives equal time on the paddock, regardless of age, weight, height, ability or shoe size! They also receive expert coaching, where correct technique and core skills are taught, together with values of respect, teamwork and sportsmanship. The club invests in a professional club coach to ensure high standards and consistency across all grades.

We are proud to provide a family-oriented environment where mothers, brothers, sisters, grandparents and any other family member or friend is genuinely welcomed. No matter what your child's ability or experience, we'll have a jersey for them!

Rugby at KWP

First and foremost, we are a community club, and we're here because of our collective love for the game of rugby union, and we're united by our shared belief in the spirit with which it should be played. All our players (boys, girls and old men!) play the 'KWP way', which allows for appropriate competitiveness within the spirit of a fun and safe environment. To this end we are bound by the following principles:

Rugby is Fun

The number 1 reason kids should play rugby is because it is fun. At KWP we want our kids to have a ball! Sure competition comes in around U10s, however we will always encourage playing for the enjoyment of the game.

Friendship

KWP rugby is famous for the friendships made at our club. Our kids often form life-long bonds with teammates as they progress through the age groups. Parents also form lasting friendships, often built around having kids the same age. The club holds regular social nights, which are designed to bring the community together in a fun and relaxed way.

Coaching

Coaching at KWP is more than teaching the skills and rules of the game. We want our kids to grow into fine young people who are confident and have skills obtained through playing a team sport.

Safety

Rugby is taking great steps to ensure the game is as safe as it can be for our kids. From field setup to concussion laws, the game continues to focus on player safety. At KWP we have a qualified physio on the sideline of every Juniors (U10 to U18) home games, as nothing is more important than the safety of our players.

Additional information about our club, including recent and up-coming events can be found on our website at: www.kwprugby.com

OUR HOME – LOFBERG OVAL & THE BILL ALLEN MEMORIAL CLUBHOUSE

Lofberg Oval is owned by Ku-Ring-Gai Council, and along with a number of other local sports clubs we lease the use of the oval. During the winter season we are the primary user of the oval, along with Knox Old Boys Rugby Club. In summer the oval is primarily used by the West Pymble Cricket Club, with our men's touch footy group playing on Tuesday evenings along with some other Rugby 7s and touch games both at the end of the season and as pre-season for the following season.

Whilst we share the public toilets and the ground floor facilities with other resident clubs, we've developed the first-floor facilities of the 'Bill Allan Memorial Clubhouse' primarily for the benefit of KWP players, members, and their families.

Thanks to the hard work of long-time club member and supporter James O’Keefe, during 2021 we were successful in securing a community grant with the aim of improving the facilities within our clubhouse. The committee, and club as a whole, say a huge thank you to James for single handedly identifying and successfully applying for this grant on behalf of the club. The committee is currently working closely with the council to finalise these up-grades with the hope the works will be complete by the start of the 2022 Rugby Season. This is incredibly exciting for our club and presents a fantastic opportunity for our members to have access to even better facilities.

Many of us have walked up the steps past the ‘Bill Alan Memorial Clubhouse’ sign so many times it’s easy to forget why the clubhouse is named after Bill Alan.

Bill Allan founded our club (as West Pymble Rugby Club) in the years after the second world war. As a reminder of our clubs roots and long history, and where our club values came from, below is a letter the club received from Bill’s daughter in 2020. It reminds us all of how important our values are and the role we all have in ensuring they live on as the heart and soul of our club for another 62 years... because that’s the way that Bill would want it to be.

Bill Allen

My dad was a man of immense integrity but with many flaws, like the rest of us. He wanted to be a doctor, but because of the depression and World War 2, he was unable to fulfil that dream. Instead, he signed up to fight for Australia and rose to the rank of major.

Dad's battalion was sent to Borneo; the Japanese were all over Borneo trying to take the district in their march towards Australia. My mother also fought for her country by becoming a nurse and looking after the wounded as they fought for Australia.

I am proud to know that my dad commanded one of the battalions to protect Australia.

Dad always taught us to be honest and decisive – not wishy-washy following every trend and whim – but to be ourselves.

In the years after the war, dad noticed that young men were a bit lost and didn't have a sense of purpose. He, therefore, created West Pymble Rugby Union Football Club. He spent hours creating a footy club for all the local boys, he coached and helped the club to grow and prosper. I recall our house was always full of jerseys, footballs and hours of meetings.

As a former rugby union player for Adelaide, dad was a brilliant football player, and this is the knowledge and passion he passed on to the boys in the club. The jerseys were royal blue with the yellow V.

My dad was my role model in business and life. He taught me that honesty and integrity are above all. He taught me that even if you don't agree with something or someone, then to behave with dignity.

I am proud to be his daughter and sad that he died at the age of 58 due to heart disease; as a result of the problems he experienced while living in Borneo during the war.

I was compiling this information for my children and now ten grandchildren so they know where and who they came from.

Dad died before any of my kids were born. His eldest great-grandson is now 13 and playing for the Capricornia district – he has my dad's talent and is doing very well. I hope my dad is watching him with a smile on his face.

*Kind regards
Trish Symons*

OUR MEMBER ASSOCIATIONS

Gordon Village – gordonrugby.com.au

KWP is a proud member of Gordon Village Juniors. Gordon Juniors is the largest network of grassroots clubs in Australia and includes:

- Killara West Pymble
- St Ives
- Wahroonga
- Lindfield
- Lane Cove
- Roseville
- Hornsby
- Chatswood

Gordon runs its own Minis competition (U6s to U9s) amongst its current members and also hosts under 5s at two locations across our Village. Other clubs like Mosman, Hunters Hill and Norths are invited into the competition but have no voting rights, and their members are not eligible to play representative rugby for Gordon once they become Juniors from the under 10s.

The Gordon Village Presidents meet once a month to discuss various club and competition issues, as well as the Gordon Representative Program and pathways for our clubs.

Please note: Gordon Seniors and Juniors are separate organisations but have strong links and involvement across both.

Sydney Junior Rugby Union – www.sjru.com.au

KWP is also a member of the Sydney Junior Rugby Union (SJRU). The SJRU runs the biggest Juniors' competition in the country with teams stretching across the Sydney Basin.

The SJRU also provides various representative pathways for both boys and girls.
