2026 REGISTRATION INSTRUCTIONS

Registrations open on Wednesday the 7th January 2026

Before you start, make sure you have:

- ✓ Access to your email to activate your (Rugby Explorer) account
- ✓ Credit/Debit card
- ✓ Your child's height and weight
- ✓ A portrait photo of your child on your computer/phone

Introduction

All members will need to self-register in 2026. The system is **Rugby Xplorer**, and is managed by Rugby Australia. This is the same system we have been using for a number of years. Any technical issues with registering should be forwarded to Rugby Australia - rugbyxplorer@rugby.com.au

Prices for 2026 Season includes registration, all insurances, affiliation, playing fees, and a training shirt & KWP Backpack (new for 2026). New players to the club in the U6 to U9 age groups will also receive a pair of KWP playing socks and shorts. Please note for returning players this arrangement is the same as last year and socks and shorts are NOT included in this year's registration.

Age Group	Price
U6	\$150 (<i>same as 2025</i>)
U7	\$210 (<i>same as 2025</i>)
U8 & U9	\$325 (<i>\$20 increase</i>)
U10 to U18	\$350 (<i>\$20 increase</i>)

U6	\$150 (<i>same as 2025</i>)
U7	\$210 (<i>same as 2025</i>)
U8 & U9	\$325 (<i>\$20 increase</i>)
U10 to U18	\$350 (<i>\$20 increase</i>)

As with 2025, we want to make playing rugby as affordable as possible and in order to keep fees as low as possible we've kept the same arrangement which is removing including a pair of socks and shorts as part of your registration fee (excluding new players in the U6s to U9s). If new socks or shorts are required they can be purchased at the gear day or online (see shop on website). This has also been done based on feedback that not every player needs a new pair of socks and shorts each year and so will hopefully reduce waste.

Sibling discount

We are again offering a sibling discount of \$20 for first sibling, \$30 for second and subsequent siblings is available.

Registration Instructions

There are 2 steps for all members, new and returning, in 2026.

Step 1 – Set Up your Rugby Account

You will need to first set up your rugby account. You can either complete these activities at <https://myaccount.rugby.com.au> or else you can download the Rugby Xplorer App, available in the App Store and Google Store.

RETURNING MEMBERS – the email address you registered with in 2025 will be in the system, so please enter this one to retrieve. If you know your MyRugby ID you can also use this to find your account.

Once found, click “email me a magic link” and open the link sent to your email address and activate your account, creating a new password (unless you can remember last year’s password).

The next step is to ensure all family relationships are linked **before** you register (except for new players) – i.e. all children being registered need to be linked to the primary account holder. Full instructions are available to help online - the link is: [My Rugby Account](#)

Step 2 – Register

You will need to go to <https://myaccount.rugby.com.au> and sign in, or open the Register tab in the Rugby Xplorer app.

1. Make sure you select who you would like to register (your child)
2. Enter Club name and Search – be sure to type “Killara” and select Killara West Pymble JRU, Sydney Junior Rugby Union as per below (otherwise you will be unable to register).
3. This will take you to the Registration Type page, please note the following:
 - o Role: Player
 - o Registration type: **PLEASE MAKE SURE YOU SELECT THE CORRECT TYPE BASED ON YOUR AGE GROUP** (the age you are turning in calendar year 2025)
 1. “XVs JUNIORS” – age 8 and above
 2. “Get into Rugby – Tri Time” – 6 & 7
 3. “Get into Rugby – Walla” – 4 & 5
 - o Duration: Season

[NOTE: if you are trying to register and you cannot, it is most likely due to the Rugby Type as the system automatically excludes you if your age does not match the type. If you are intending to play a different age group, please register based on your actual age group and contact us so we can swap you post registration.]

4. Then continue to follow the steps, confirming your child’s details, height, weight, school name etc. **Make sure you mark your profile as public** when asked yes or no, as this will be needed for sign in sheets, team lists etc.
5. You will then come to the Registration Summary page.
6. Finally, you will come to the payment page where you can enter payment details.

And you are done, but see additional important info below!

Please note the sibling discount will apply but unfortunately the system does not allow for only one checkout option. So you will need to check out and pay for each child, but provided you are doing it one after the other, the discount will apply for the second (and third etc) at check out.
